Specifications: 15 gauge steel U-channels riveted back to back using aircraft quality rivets. Heavy duty vertical 1-1/2" x 1-1/2" angles and .caster Galvanized finish.

Note: Gates lose 6" in height when extended.

How to Order: Find the width that matches the opening you wish to gate, then select the height of the gate you need.

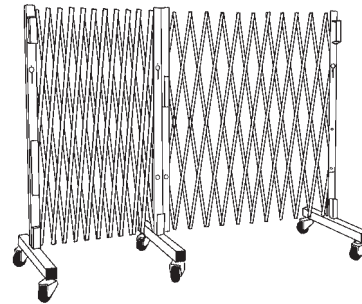

**XL555
School Strap**

School Strap allows single or pair folding gates to be locked in retracted position.

Part #	Price
XL555	\$ 53.00

Portable Gates

Part #	Hall Width	Price
XL1265 Starter	up to 12'	\$ 640.00
XL665 Add-On	6'	\$ 370.00

The portable gate can be used to temporarily secure a large area, then collapsed and rolled out of the way. The starter expands to 12' and an unlimited number of 6' add-on units can be added. Gates can be locked to a wall at each end via a padlock hasp (wall hardware included).

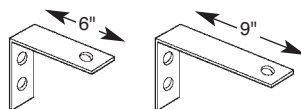

Specifications: Collapsed gates are 78" tall and roll easily on 3" heavy duty rubber wheels on 30" axles. All galvanized finish. The gate is a 3/4" x 3/8" x 14 gauge steel u-channel riveted back to back using aircraft rivets. The vertical frame is made of 1-1/2" x 1-1/2" steel angles. Colors available for an additional charge.

Also Available:

Door Gates
Wire Partitions
Wire Cages

Call for Details.

Extension Brackets

L-Brackets allow surface-mounted bi-parting gates to clear overhead door rails or other obstacles.

Part #	Description	Price
GAT6L	6" Offset Wall Bracket	\$ 21.00
GAT9L	9" Offset Wall Bracket	\$ 23.00
